CSM

CSM Series- Sell Sheet Overview

01/07

Overview:

CSM integrates real-time gateway anti-virus, anti-spyware, intrusion prevention, and content filtering services to deliver maximum network protection from today's sophisticated Internet threats. Combining dynamic threat management capabilities with precise control over Internet usage in an affordable, appliance-based solution, CSM enhances network security, improves employee productivity, and mitigates legal liabilities.

CSM Series Features:

- **Citrix and Microsoft Terminal Services Support.** The Content Security Manager integrates support for single sign-on with Citrix Presentation Server and Microsoft's Terminal Services, simplifying user authentication and access management of network resources and online content.
- **Microsoft Active Directory and Novell eDirectory Connector for Single Sign-On (SSO).** This feature allows network administrators to create policies that reflect the existing organizational hierarchy and manage all the users through a single interface.
- **Powerful Content Filtering.** The Content Security Manager Series offer advanced, policy-based controls to manage access to all types of web content inappropriate, unproductive and potentially illegal utilizing advance filtering technologies like Real-time Dynamic Rating Engine and the Smart URL Parsing.
- **Instant Messaging (IM), Peer-to-Peer (P2P) and Multimedia Controls.** The Content Security Manager offers the ability to manage the use of IM, P2P and multimedia applications to improve network utilization, enhance security and protect against legal liabilities.
- **Enforced Client Anti-Virus & Anti-Spyware.** This feature verifies that every computer accessing the network has the most recent version of anti-virus and anti-spyware software installed and active, eliminating the costs commonly associated with desktop anti-virus and anti-spyware policy management.
- **Real-time Gateway Anti-Virus and Anti-Spyware Scanning.** The Content Security Manager Series deliver complete protection by scanning traffic over a multitude of widely-used ports and protocols including HTTP, SMTP, POP3, FTP and NetBIOS eliminating viruses, worms, Trojans, spyware and other Internet threats at the gateway before they can infect the network.
- **Full IPS Signature.** This provides complete protection from a comprehensive array of network-based application layer threats by scanning packet payloads for worms, software vulnerabilities such as buffer overflows, peer-to-peer and instant messenger applications, backdoor exploits, and other malicious code.
- **Powerful Web-based Reporting and Analysis.** The Content Security Manager includes an easy to use web-based reporting system giving administrators insight into network activity through customized reports that can be viewed in multiple formats.
- **High Availability.** The Content Security Manager provides the ability to automatically fail over to a secondary CSM device should the primary unit fail, ensuring the network is always protected and productivity remains uninterrupted

Sell Sheet Overview

SonicWALL CSM Hardware SKU information:

Product	SonicWALL SKU
CSM 3200 (with 1 Yr of 50 User Update Service)	01-SSC 6030
CSM 2200 (with 1 Yr of 25 User Update Service)	01-SSC 6026

SonicWALL CSM Update Service SKU information:

Product	SonicWALL SKU
Content Security Manager Update service (25 Users) 1YR	01-SSC 6006
Content Security Manager Update service (50 Users) 1YR	01-SSC 6007
Content Security Manager Update service (100 Users) 1YR	01-SSC 6008
Content Security Manager Update service (250 Users) 1YR	01-SSC 6009
Content Security Manager Update service (500 Users) 1YR	01-SSC 6010
Content Security Manager Update service (1000 Users) 1YR	01-SSC 6011
Content Security Manager Update service (25 Users) 2YR	01-SSC 6040
Content Security Manager Update service (50 Users) 2YR	01-SSC 6041
Content Security Manager Update service (100 Users) 2YR	01-SSC 6042
Content Security Manager Update service (250 Users) 2YR	01-SSC 6043
Content Security Manager Update service (500 Users) 2YR	01-SSC 6044
Content Security Manager Update service (1000 Users) 2YR	01-SSC 6045
Content Security Manager Update service (25 Users) 3YR	01-SSC 6046
Content Security Manager Update service (50 Users) 3YR	01-SSC 6047
Content Security Manager Update service (100 Users) 3YR	01-SSC 6048
Content Security Manager Update service (250 Users) 3YR	01-SSC 6049
Content Security Manager Update service (500 Users) 3YR	01-SSC 6038
Content Security Manager Update service (1000 Users) 3YR	01-SSC 6039

SonicWALL CSM Support SKU information:

Product	SonicWALL SKU
Dynamic Support 8x5 for CSM 3200 (1 YR)	01-SSC-6256
Dynamic Support 8x5 for CSM 3200 (2 YR)	01-SSC-6257
Dynamic Support 8x5 for CSM 3200 (3 YR)	01-SSC-6258
Dynamic Support 24x7 for CSM 3200 (1 YR)	01-SSC-6259
Dynamic Support 24x7 for CSM 3200 (2 YR)	01-SSC-6260
Dynamic Support 24x7 for CSM 3200 (3 YR)	01-SSC-6261
Software and Firmware Updates for CSM 3200 (1 YR)	01-SSC-6262
Dynamic Support 8x5 for CSM 2200 (1 YR)	01-SSC-6269
Dynamic Support 8x5 for CSM 2200 (2 YR)	01-SSC-6270
Dynamic Support 8x5 for CSM 2200 (3 YR)	01-SSC-6271
Dynamic Support 24x7 for CSM 2200 (1 YR)	01-SSC-6272
Dynamic Support 24x7 for CSM 2200 (2 YR)	01-SSC-6273
Dynamic Support 24x7 for CSM 2200 (3 YR)	01-SSC-6274
Software and Firmware Updates for CSM 2200 (1 YR)	01-SSC-6275

Sell Sheet Overview

SonicWALL CSM Series Overview:

The following table describes the key differences between CSM 2200 and CSM 3200.

Positioning	CSM 2200	CSM 3200
Target Customer	Small businesses (up to 250 nodes)	Mid-size businesses (up to 1000 nodes)
Hardware Features		
Chassis Form Factor	1U rack-mountable 17.00 x 10.00 x 1.75 in 43.18 x 25.40 x 4.45 cm	1U rack-mountable 17.00 x 13.00 x 1.75 in 43.18 x 33.02 x 4.45 cm
Interfaces	(4) 10/100 Ports Console: (1) Serial Port	(6) 10/100 Ports Console: (1) Serial Port
Processor	800 Mhz x86 cryptographic accelerator	2GHz Intel with dedicated cryptographic accelerator
Memory (RAM)	256 Mb	256 Mb
Flash Memory	64 Mb	64 Mb
Power Supply	65W, 100V - 240V AC	143W, 100V to 240VAC
Weight	8.50 lbs (3.86 kg)	13.00 lbs (5.90 kg)
WEEE Weight	8.8 lbs (4.0 kg)	13.00 lbs (5.90 kg)
Dimensions	17.00 x 10.00 x 1.75 in 43.18 x 25.40 x 4.45 cm	17.00 x 13.00 x 1.75 in 43.18 x 33.02 x 4.45 cm
Features at a Glance		
Single Sign-On (Citrix, Novell eDirectory MS Active Directory and Terminal Services)	•	•
Comprehensive 56 category content filtering, including Smart URL parsing and dynamic rating engine	•	•
Safe search enforcement	•	•
Instant messaging (IM), peer-to-peer (P2P) and multimedia controls	•	•
Gateway Security Services (IPS, anti-virus and anti-spyware)	•	•
SonicWall Enforced Client Anti-virus & Anti-spyware	•	•
Integrated Web-based reporting and analysis	•	•
High Availability (active-passive failover)	•	•
Deep packet inspection architecture	•	•
